

*Dear children,*

*I am writing to you because I need help with something and your teacher told me that you are all very arty and clever!*

*Although I've found ways to re-use most of the things that piled up outside my castle, there are some items I have no idea what to do with!*

*I have sent those objects to your teacher - please look at them carefully and think about what you could make with them.*

*Many regal regards,*

*King Leonard*

*Dear children,*

*Your teacher told me all about the wonderful things you made with the objects I sent to you.*

*It sounds like everyone had some fantastic ideas and that you worked very hard to create new things. I can tell that your teacher is proud of your efforts.*

*Thank you for doing your bit to reduce waste!*

*Many regal regards,*

*King Leonard*
